

T2 Paralink Arm Series

Model Number as shown:
T2P2020-WT2-KPC-QG
(monitor, keyboard and mouse not included)

ICW

T2 Paralink Arm Series

DESCRIPTION:

The T2 with Paralink is the premier rigid LCD arm mount. This arm allows full cord management from the wall to the monitor and keyboard, and moves as if there are no wires connected. The cables are completely hidden inside the unit, even at the joints. The T2P2020 is 43" long. With the monitor tilted forward, the maximum reach from mount to monitor is 46".

FEATURES:

- Internal cable management
- Holds up to a 28 lb. monitor
- Available with desk, wall or pole mounts
